Mr. Cory Hoehn
Comerstone Group
300 Missouri Ave, Suite 100
Jeffersonville, IN 47130

Dear Cory,

It is hard to believe, but I am completing my 5th year in working with the Comerstone Group as a tenant here at Water Tower Square. Over the past 5 years it has been amazing to watch the growth and direction in which the Comerstone Group has kept up with the demands and needs of fast growing companies.

In January 2001, I formed ACCENT Training and needed to grow with more space. Comerstone had a solution. Many times I just needed some temporary classroom space, and you guys made it available. In October 2004, the business grew to form ACCENT Intermedia, and our adjoining office space to the Comerstone Group's suite was becoming overcrowded. Your team volunteered to vacate your office suite, and worked with us to create the bigger space we needed. I cannot begin to tell you how important it is to a business owner to have a landlord who is willing to work in any way possible to accommodate our needs. Comerstone Group has done that time and time again.

One of the things I like most about being here is the unique history that goes along with a modern feel. I receive many compliments from our customers on the building. The facilities are always clean, the parking lot kept neat, even during a tough snow storm, and of course the convenience to downtown is excellent. Your willingness to work with your tenants to help them grow makes staying here an easy decision. As I look out of my office window, and admire the completely renovated 300 building, I notice that remodeling efforts have already started on the building next to it. Comerstone once again is thinking about the future needs of its tenants. Thank you for the support and service you have provided to us over the years.

Best regards,

Tim Clark
