To whom it may concern,

It is my pleasure to write a letter of recommendation on behalf of the Cornerstone Group, specifically Cory and Pat Hoehn. ACCENT expanded it's existing operations at the Water Tower Square complex in January of 2004 by relocating our Headquarters adjacent to one of our existing locations. One of the deciding factors in relocating our Headquarters to the Water Tower Square was our satisfaction with dealing with the Hoehns. Throughout the relocation I worked closely with Cory and Pat and was very pleased with their ability to deliver on their commitments, both budgetary and deadline. As landlords they have worked in a true partnership with us on any requests we have made and show a true concern for our business needs.

Based on my experience with the Cornerstone group, I would highly recommend them to anyone pursuing a property lease.

Sincerely,

Kevin M. Foley
